ABOUT US

Haining Oupai Industry & Trade Co., Ltd.

Haining Oupai Industry & Trade Co., Ltd. is a professional manufacturer of PVC Indoor Decorative Materials. The place is near the famous scenic spot — the Tide City — Haining, and near the highway from Hangzhou to Shanghai. We are 70km away from Hangzhou in the west and 120km from Shanghai in the east, enjoying the favorable geographical location which can be conveniently accessed.

We cover an area of 10000 square meters, with the workshop of 8000 square meters. We have a staff of 100 people, with 20 professionals, who have ten years' experience at high and new technology level. We use the bipyramid extruding machines. Passing the national quality surveillance center examination, we recommend the green environmental-friendly products.

We are specially dealing in various PVC Indoor Decorative Materials, such as PVC Panels, PVC Wall Panels, PVC Ceiling Panels and PVC Profiles. With advanced installation, solid technical strength,

We are PVC panel manufacturer.

The markets, the applications, the customers are different but OUPAI has one unique philosophy to guide the latter to success.

For any problems or feedback from the customers, we will reply patiently and meticulously in time.

For any inquiries from the customers, we will reply with the most professional and most reasonable price.

For any new products of the customers, we will communicate with customers professionally, listen to their needs, understand their requirements, and give useful suggestions for developing the best products.

For any orders from the customers, we will finish with the fastest speed and best quality.

We'll take time to deal with each issue, no matter how mundane it may appear to you. We'll always accommodate your needs and requirements. And you'll find that we speak your language and understand your technical problem. That's why we have cooperated successfully with our clients from nearly 20 countries in so many years.
